Morris Plains, NJ

Available Lab Space in Morris Plains, New Jersey

There is a 45,000 sf lab space available with an additional large office component from a former pharmaceutical giant.

Area Description

Morris Plains is conveniently located off Routes 287 and 206, near NJ Transit commuter service and Newark International Airport. Many large corporations are located within the several large corporate campuses. Major pharmaceutical, financial and technology companies are among the top employers. Morris Plains measures about 2.59 square miles and has a large residential area with easy commutes to New York City. The town borders other residential neighborhoods and there are several local colleges and universities. This suburban area has lots of restaurants and shopping along State Highway Route 10.
